Gina Rodkey has been supporting small business owners with their bookkeeping needs for over 15 years.

In 2013 she started her own business Ginas InterNet Advising, Virtual Bookkeeping to give the small business owner the freedom to focus on their business rather than the time consuming job of keeping track of their financial records themselves. She works virtually, using the latest online technology to streamline and automate the data entry process.

She is currently the Treasurer for Parkesburg Area Business Association and Sadsburyville Historical Society and hosts a weekly virtual meeting for the Small Business Accounting Advisors.

NO ONE SHOULD EVER GO HUNGRY WE ARE HERE TO HELP

Hunger has many different faces: women, men children, mothers, fathers, infants and the elderly.
