GINAS INTERNET ADVISING

Gina Rodkey has been supporting small business owners with their bookkeeping needs for over 15 years.

In 2013 she started her own business Ginas InterNet Advising, Virtual Bookkeeping to give the small business owner the freedom to focus on their business rather than the time consuming job of keeping track of their financial records themselves. She works virtually, using the latest online technology to streamline and automate the data entry process.

She is currently the Treasurer for Parkesburg Area Business Association and Sadsburyville Historical Society and hosts a weekly virtual meeting for the Small Business Accounting Advisors.

PARKESBURG AREA BUSINESS ASSOCIATION NEWS

2020 PABA BUSINESS LEADER OF THE YEAR

You may not know it, but there is a very special superhero quietly working every day in our area to make a difference in people's lives and that person is **Judy Dougherty**. Every day this hero toils at the **Octorara Area Food Cupboard** (O AFC) to make sure hungry people and families get fed.

As a result of all her hard work and tireless heartfelt efforts, the Parkesburg Area Business Association has selected her for a special honor, and awarded her the PABA 2020 Business Leader of the Year. As director of O AFC, Judy heads a team of volunteers that provide healthy food for hundreds of families and individuals in need each month.

Here is what the PABA members have to say about Judy. ***"Judy is awesome, touching the lives of thousands of people each month!"*** and ***"O AFC is helping kids in need."*** Another member said, ***"Judy is always helping everyone."***

During the Covid-19 Pandemic, Judy did not slow down one bit! She simply shifted gears and has been providing food by "drive-through", helping even more families in need including school boxes for children that are no longer getting school lunches.

Congratulations to an extraordinary woman and superhero, Ms. Judy Dougherty!
